Assignment-1

Date: 11/06/2018

Mission

- Your assignment should you choose to accept it is:

- https://gist.github.com/khkred/646264eb1b38872828a1f33003cbb884

- Download 8 material design images and arrange them in a 2 X 4 matrix.

- The layout can be either relative or linear layout according to your choosing.

- I've uploaded the first image in the same folder.
